YOUTH DAY CELEBRATION

Swami Vivekananda was a Hindu monk and one of the most celebrated spiritual leaders of India. He was more than just a spiritual mind; he was a prolific thinker, great orator and passionate patriot. He carried on the free-thinking philosophy of his guru, Ramakrishna Paramhansa forward into a new paradigm. He worked tirelessly towards betterment of the society, in servitude of the poor and needy, dedicating his all for his country. He was responsible for the revival of Hindu spiritualism and established Hinduism as a revered religion on world stage. His message of universal brotherhood and self-awakening remains relevant especially in the current backdrop of widespread political turmoil around the world.

Swami Vivekananda revealed to the world the true foundations of India's unity as a nation. He taught how a nation with such a vast diversity can be bound together by a feeling of humanity and brother-hood. Vivekananda emphasized the points of drawbacks of western culture and the contribution of India to overcome those. Netaji Subhash Chandra Bose once said: "Swamiji harmonized the East and the West, religion and science, past and present. And that is why he is great. Our countrymen have gained unprecedented self-respect, self-reliance and self-assertion from his teachings." Vivekananda was successful in constructing a virtual bridge between the culture of East and the West

GRANDPARENT'S DAY

SUREVIN INTERNATIONAL SCHOOL organized and celebrated the Grandparents day by teaching the students in a fun way that our grandparents play a vital role in our life without them we would not be here.

Grandparents Day is a day to recognize, honor and celebrate our Grandparents. Grandparents play an important role in our lives. The wisdom and the knowledge they share with their grandchildren will influence the child's life forever. Being a grandparent is different than being a parent; usually, they have more patience and time than when they were a parent.

A grandparent will get down on the floor and do silly things that they would never have dreamed of doing until they became a grandparent. No matter what is going on in their lives they will make the time for their grandchildren.

May your day be amazing. May your day be filled with love. May your day be one that you feel as special as you have made us grandchildren feel. Happy Grandparents Day to you both.
